DECORATIONS ON THE CITY HALL AT DALLAS IN HONOR OF THE CONFEDERATE REUNION.

DALLAS REUNION DREW THOUSANDS.

More Than 100,000 Ex-Confederates and Visitors Present at the Opening.

RAILROAD TRAFFIC CONGESTED.

Missourians Have Opened Quarters and Want Next Reunion Held at Springfield—Gen. Gordon's Ovation.

REPUBLIC SPECIAL.

Dallas, Tex., April 22.—The twelfth annual reunion of Confederate veterans, which opened here to-day, eclipsed every other meeting of Southern soldiers held since the close of the war between the States. The railroads in the twelve hours, between midnight and midday, unloaded more than 60,000 visitors. More than 40,000 had come before. When the estimates were made up this evening, conservative calculators, men who have attended many other large meetings, including the reunion at Memphis last year, placed the figures at 110,000, and some said 125,000. All agreed that it was larger than the opening rush at Memphis—102,000. Reunion association officials stated this evening that 20,000 bona fide veterans had registered at the various bridge headquarters at Camp Albert Sidney Johnston. This was just twice the number that free ration had been provided for during the reunion, and the Quartermaster's Department at once began ordering supplies sufficient to carry the commissariat through the reunion campaign all night.

REPUBLIC SPECIAL.

General Gordon's Arrival. General John B. Gordon, Commander-in-Chief of all United Confederate Veterans, arrived in the middle of the afternoon, when the first day's official proceedings were nearly ended. His arrival was unexpected, and when it was known, the veterans gave such a "rebel yell" as has not been heard since the surrender. General Gordon and his staff were delayed twenty hours by the congested condition of reunion travel on all roads leading to Dallas.

REPUBLIC SPECIAL.

The speakers to-day were Major General Van Zandt of Fort Worth, acting temporarily as proxy for General Gordon; Governor Sayers, welcome for the State; Mayor Ben E. Cabell, welcome for the city of Dallas; Judge G. N. Gerald, for Confederates of Texas; Colonel W. L. Crawford, for the Texas Reunion Association; W. C. McKarny, for the Sons of Confederate Veterans; and General Stephen D. Lee and General John B. Gordon, for Confederate States and their veteran soldiers.

REPUBLIC SPECIAL.

Elaborate social functions took place this afternoon and to-night, among them the "Arrival of the Knights" reception to general Joe Wheeler. He is known to have left Washington two days ago for Dallas, but up to midnight had not arrived. At 1 o'clock General Moorman appointed details to search all the railway stations, but they report no tidings of him. General Julian Carr, with seventeen coach loads of North Carolinians, got in twenty-four hours late to-night, as did also a train load of Alabamians.

REPUBLIC SPECIAL.

At this writing the chances for New Orleans seem to be the better, but the Mississippians will have to be "shown" before they give up the contest.

REPUBLIC SPECIAL.

Missouri Division held a meeting this evening for the purpose of organization and appointment on the Committee on Credentials. G. P. Gross of Kansas City and in the Committee on Resolutions Judge J. E. Gantt of Jefferson City.

REPUBLIC SPECIAL.

Three cities are making active efforts to win the distinction of having the next reunion held within their limits. They are Springfield, Mo.; Louisville, Ky.; and New Orleans, La.

BUFFALO LITHIA WATER

The Great Solvent and Eliminator of URIC ACID and other POISONS

Its Value in Gout, Rheumatism, etc.

Hunter McGuire, M. D., LL. D., late President and Professor of Clinical Surgery, University College of Medicine, Richmond, Va., and President American Medical Association, says: "BUFFALO LITHIA WATER is invaluable. In Uric Acid Gravel, and, indeed, in diseases generally dependent upon a Uric Acid Diathesis, it is a remedy of extraordinary potency. I have prescribed it in cases of Rheumatic Gout, which had resisted the ordinary remedies, with wonderfully good results. I have used it also in my own case, being a great sufferer from this malady, and have derived more benefit from it than from any other remedy, and I will add that I prescribe this water ten times where I prescribe any other one."

James K. Crook, A. M., M. D., Adjunct Professor of Clinical Medicine and Physical Diagnosis at the New York Post-Graduate Medical School (see "Mineral Waters of the United States," by him), has gained a wide reputation, especially in the treatment of Uric Acid Diathesis, Gout, Rheumatism, Renal Calculus, Stone in the Bladder and Gastro-intestinal Disorders.

BUFFALO LITHIA WATER is for sale by Grocers and Druggists generally. Testimonials which defy all imputation or question sent to any address. Hotel at Springs opens June 15th. PROPRIETOR BUFFALO LITHIA SPRINGS, VIRGINIA.

SNATCHED HIS BRIDE FROM OCEAN WAVES.

W. J. Counihan, Well-Known Theatrical Man, Culminated Seaside Romance in Marriage.

A romance begun three years ago in the ocean off Atlantic City, when William J. Counihan, a local theatrical advertising agent, saved Miss Anna McCarthy of Philadelphia from drowning, culminated yesterday at St. Lawrence O'Toole's Church, where the couple were married by the Reverend Father J. A. Tracy. The wedding was made quite an event among the local theatrical men.

Michael Shannon served as best man at the wedding, and Miss Hannah Counihan, sister of the bridegroom, was bridesmaid. Immediately after the ceremony the couple departed on their wedding trip, to remain a few days, after which they will reside at a downtown hotel. Later they will go to Atlantic City to spend a portion of the summer.

It was while bathing in the surf three years ago this summer that the couple met. Miss McCarthy had gone beyond the lifeline and was struggling in deep water. Hearing her call for assistance, Counihan swam to her aid and brought her safely to shore. He did not give his name at the time, but later the two met at her hotel. He visited her, and later met her in Philadelphia, and later met her in this city. Their engagement developed as a result.

While here last summer Miss McCarthy and Mr. Counihan decided on the plans for the wedding, which was held last night. As a testimonial from the local theatrical men, a set of silver was presented by the theatrical community to the bride. The wedding was a very quiet affair, and the bride and groom were accompanied by a few friends.

As a member of the Commercial Club, Mr. Counihan took much interest in matters pertaining to the welfare of St. Louis. He was formerly with the Buffalo Bill show in England.

No Ice Water for Royalty.

A well-known Fifth avenue hotel man says: "We Americans have not yet overcome the pernicious ice-water habit, for many people here still expect that a glass of ice water is a healthful drink. It is known that a mild stimulant, well diluted with Apollinaris, was drunk by Queen Victoria, and the advice of her physician, Sir William Jenner, and now we even find the London Times ceremoniously stating, in its column of news about royalty, that the Apollinaris company has been appointed purveyors of news about royalty to the King and to the Prince of Wales. Between this association with royalty and the worth of the water, it is easy to understand why on nearly every table in London hotels a bottle of Apollinaris is seen as an accompaniment to the meal, but the special point is that the glass of ordinary water with ice is not asked for or served."—New York Tribune.

Don't take Ayer's Sarsaparilla if you are well. Don't take it simply because you are sick. Take it for what the doctors recommend it and you will like it, become fond of it, for it gives health, strength, vigor.
